Validation - Minimum Length Error

The screenshot shows a login form titled "Gowtham Portfolio Login" centered on a light blue background. The form has a white background and rounded corners. It contains two input fields: "Email" with the value "gowtham114411@gmail.com" and "Password" with the value "****". Below the password field, a red error message reads "Minimum 6 characters required". At the bottom of the form is a purple "Login" button.

Validation - Valid Form

The screenshot shows the same login form as above, but now the password field contains "*****". Below the password field, a green success message reads "All fields look good!". The "Login" button remains at the bottom.
